Highlights from Mid-Year Board Meeting

By RaNae Edwards, Grand Island, Nebraska

As one of your Region VIII Directors, along with Elizabeth Burke from Flagstaff, Arizona, we had the privilege of attending the IIMC Mid-Year Board of Directors meeting in Riverside, California at the historic Mission Inn on November 16-19, 2017. What an honor it is to serve Region VIII.

We toured IIMC Headquarters in Rancho Cucamonga on Thursday and participated in the Board Development on Friday. We covered the roles and responsibilities of IIMC board members along with identifying the following core values of IIMC:

- Diversity and Inclusivity
- Communication
- Integrity
- Innovation
- Professionalism

We approved new online education courses from MindEdge so if you need more points for your CMC or MMC designation make sure to check this out and other online courses offered by IIMC. The Board also reviewed the recommendations from the Diversity/Inclusivity Task Force. We voted on and approved the 2022 Annual Conference which will be held in Little Rock, Arkansas. All in all it was a great meeting.

We are looking forward to the 72nd Annual IIMC Conference in Norfolk, Virginia. Plan to attend May 20-23, 2018, as it should be an amazing conference. Our Region VIII meeting will be held on Tuesday, May 22, 2018, with an evening dinner that same day. Location is yet to be determined.

If anyone has the opportunity to attend an Annual IIMC Conference I would highly recommend it. Following are the locations for the next five years:

- 2018 Norfolk, VA
- 2019 Birmingham, AL
- 2020 St. Louis, MO
- 2021 Grand Rapids, MI
- 2022 Little Rock, AR

In this issue:

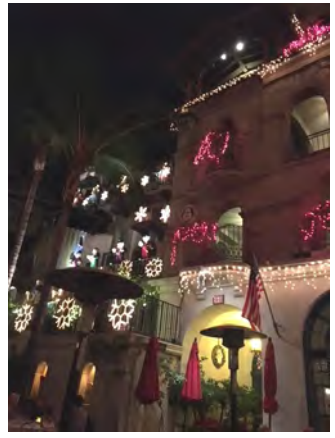

- Highlights of the IIMC Mid-Year Board Meeting

News from Around the Region

ARIZONA

The 2018 Institute is to be held at the ASU Downtown Mercado in Phoenix June 4-8, 2018. The Academy will be held June 19-21, 2018.

The Arizona Municipal Clerks Association (AMCA) has entered the Facebook era and already has 70 members. For those of you that follow Facebook, visit our site and LIKE it.

In November of last year a one-day Best Practices was held in Prescott where 49 members learned about liquor licenses, the legislative process, the Council orientation process, basic election info and social media.

In October of 2017 the Colorado Clerks hosted their first stand-alone annual conference. All years prior, the CMCA paired with the Finance Officers (CGFOA) for an annual Fall Conference. In 2016, it was decided by the CMCA Executive Board that it was time to step out on their own starting in 2017.

As you can imagine, a LOT of work was put in by the CMCA Conference Committee members and it was absolutely worth it. The conference, which was held at the Embassy Suites in Loveland was a great success as the clerks enjoyed having the run of the place and everything was about them.

Their next conference is October 15-19, 2018, in downtown Colorado Springs at the Antlers Wyndham Hotel.

Upcoming events include:

02/09/2018—Athenian Dialogue

IDAHO

The 2017 Idaho City Clerks, Treasurers and Finance Officers Assoc. (ICCTFOA) Institute was held September 20-22 in Boise, Idaho. The Institute offered 21 different workshops with the opportunity to attend seven in addition to seven general sessions. They learned things from the Basics, Communication, Annexations, Government Procurement and much more. Their 2018 ICCTFOA Institute will be held September 19-21 in Coeur d'Alene, Idaho.

The ICCTFOA honored Dr. Stephanie Witt of Boise State University (BSU) with the 2017 *Dr. James B. Weatherby Award* at the association's annual Institute in Boise on September 21. The *Dr. James B. Weatherby Award* is given annually by the ICCTFOA to individuals who have served the city clerk, treasurers and finance officers in their pursuit of excellence, effectiveness and efficiency in municipal government. The award is named after Dr. James B. Weatherby, former Director of the Public Policy Center at Boise State University and a past executive director of the Association of Idaho Cities.

Dr. Witt currently serves as a professor in the School of Public Service and as director of the Masters of Public Administration program at BSU. Stephanie received her B.A., Masters and Doctoral degrees from Washington State University.

She began her career at BSU in 1989 as a political science professor and chaired the Police Science Department for four years. Stephanie served as director of the Public Policy Center at BSU for five years.

She has co-authored several books on the urban west, human resource management and intergovernmental relations. Stephanie managed the Mountain West Municipal Clerks and Treasurers Institute for several years, providing outstanding training for city clerks and treasurers.

She is also a frequent presenter at the Association of Idaho Cities Annual Conference, ICCTFOA Institute and other local government association meetings in Idaho.

We continue to evaluate our Institutes and the classes provided to ensure that our Clerks are receiving the highest quality of Clerk training available. Our Board works closely with Dr. Stephanie Witt of Boise State to ensure the quality of each class.

NEBRASKA

The Nebraska Municipal Clerk's Association (NMCA) will hold their Institute and Academy on March 25 – 29, 2018, in Grand Island, Nebraska. Once again our Education Committee and Institute Director Ellen Freeman-Wakefield have planned an outstanding program. NMCA is also working on updating their Constitution and By-Laws and will take the changes to the membership for a vote in March 2018.

NEVADA

The Nevada clerks are busy preparing for their Clerks' Academy, which will be held in Reno, Nevada, July 30 through August 2, 2018.

UTAH

The Utah Municipal Clerks Association (UMCA) currently has 228 members, with 36 of them MMC's and 68 CMC's. They are excited and preparing for the Institute and Academy scheduled for March 20-30, 2018, in West Valley City, Utah. Their Annual Conference is scheduled for September 25-28, 2018, in Vernal, Utah. UMCA has several organized regions within Utah and they are actively holding meetings, providing training and mentoring new clerks and recorders.

WYOMING

The Wyoming Association of Municipal Clerks and Treasurers (WAMCAT) is a small but mighty organization dedicated to the continuing growth and education of all Wyoming clerks, deputy clerks, treasurers, and support staff through association, workshops and conferences. WAMCAT held their annual Educational Institute in Riverton, Wyoming on September 12-15, 2017.

WAMCAT is enthusiastic about their future for many reasons, including the rollout of their new logo; recognitions for some amazing Clerks and Treasurers and their accomplishment and achieved accreditations; and of course, the recent changes to the IIMC bylaws allowing them to contract with a Wyoming community college for their Institute. They have a lot of work to do, but they are definitely up for the task and ready to roll up their sleeves and dig in.

Changes on Facebook

We had some success in creating a Facebook page for Region VIII; however, we would like to encourage MORE participation. And, to provide some consistency among IIMC regions altogether, we will be transitioning from the old Facebook page to a Region VIII Group, part of the overall IIMC webpage.

Please head over to IIMC's Facebook page, "like" the page and request to join the **Region 8 Group** (left side of page under Groups). One benefit to this site will be that it will be hosted through IIMC rather than an individual's page, and as officers come and go, the page will remain current.
